by a plate; on motion the Secretaries were empowered to act on the application.

The President announced that he had appointed as a Committee on the paper of Prof. Cope, presented at the last meeting, Messrs. Allen, Jayne and Horn, who reported the paper worthy of publication, which was ordered by the Society.

The President reported that he had received and handed over to the Treasurer \$129.33, the amount of the Michaux rentes due on the first of April, 1886.

The proceedings of the Board of Officers and Council were submitted together with the following resolution recommended by it:

“That the further consideration of the Report and the recommendations therein contained, which was referred to the Board of Officers and Council by resolution of the Society, March 5, 1886, be indefinitely postponed.”

Dr. Frazer offered the following amendment to the resolution:

Resolved, That the Report of the Special Committee, appointed February 5, 1886, to examine, etc., etc., which has been referred to the Board of Officers and Council by resolution of the Society of March 5, 1886, be recommitted to the Special Committee just appointed with instructions to present it with such alterations and amendments as may seem desirable at the meeting of the Society on October 15, 1886.

A point of order was taken and it was decided by the President that a motion to postpone was entitled to precedence. And the question recurring on the resolution submitted by the Board, it was adopted by a vote of 26 yeas to 11 nays, the yeas and nays being demanded by Dr. Frazer.
